 Water & Insect Damage.

### WE ALSO SPECIALIZE IN INSURANCE CLAIMS

## No Clogs... No Worries... Guaranteed!

The Leaf Slugger™

No-Clog Gutter Protection  
 and Water Management System

Leaf Slugger Gutter Protection System is not just a leaf guard system. It's patented design can actually strengthen your existing gutters, and help protect your home from moisture related damages. It installs over your existing gutters without modifications or expensive add on units.

Leaf Slugger becomes an extension of your home's roof line with a neat, clean appearance and is virtually undetectable to the eye.

Leaf Slugger saves you time and money over the life of your home, as it reduces the need to ever clean your gutters. We have visited the factory and have watched the manufacturing process. It is made by a local, Hickory-North Carolina-based, American company. Your New Gutter Protection System will be fully protected by their "No Leak" Guarantee. We are very confident in Gutter Pro USA and their products.

### We Install Leaf Slugger Gutter Protection Systems: because "No Homeowner likes":

- Cleaning Leaves & Debris out of Their Gutters!
- Mold and Mildew from uncontrolled moisture!
- Costly home repairs caused by Water Damage!
- Foundation Erosion & Landscape Wash Away!
- Moisture-loving pests: Mosquitoes & Termites!

Share your "Why We Support" story with us by email, and your chosen charity could be featured. We will print your story, and Love Home Improvements will donate \$25 to the your charity.

**This month we support:**  
**Kids First: A Small Charity Doing Big Things.**

Kids First is a grassroots, nonprofit 501c3 organization which goes the extra mile through home visits and year round interaction to help Charlotte area families with anything from basic needs and school supplies, to washing machines for needy families. One of their main events is the annual Kids First Christmas Cookout. Last year Kids First helped provide gifts for over 500 children. (They have been helping find Christmas gifts for kids for 20 years.) Donations are accepted year round to help local families throughout the year.  
DPAAC, Inc. is the philanthropic arm of Ron Weatherly's companies. Love Home Improvements works alongside Dry Pro & AdvantaClean to assist both our clients and theirs. We have found Ron's staff to be very helpful and professional. It is a delight to learn about and support Kids First in their efforts to reach out to local families. If you want to learn more or donate to this cause visit [www.umakeadifference.org](http://www.umakeadifference.org).

If you have need of mold removal, air duct cleaning, or water remediation, give our friends at AdvantaClean & Dry Pro a call.

We have found them to be an honest, trustworthy company.

**Bang Bang Chicken Kabobs!**

- 3-4 bone-less chicken breasts cut into bite-size pieces
- 1 red bell pepper (cut in 1" pcs)
- 1 green bell pepper (cut in 1" pcs)
- 1 cup chopped onion (Option: 1/2 white & 1/2 red )

**Sauce:**

- 4 Tbsp greek yogurt (or sour cream)
- 2 Tbsp Mayo
- 1 tsp honey
- 1 tsp Dijon mustard
- 1/3 C. sweet red chili sauce
- 1/2 tsp siracha sauce

Soak wooden skewers in water for 30 minutes to prevent burning. Toss chicken pieces & 1/2 sauce in zip lock bag to coat. Discard of marinade. Chill 15 minutes. Preheat grill and brush with oil. Skewer peppers and onions. Skewer Chicken. (Veggies cook quicker than chicken) Place skewers on preheated grill/cook about 4-5 minutes. Turn and cook 4-5 minutes more. When chicken is cooked through and starting to char, remove from grill and pour remaining sauce over skewers.
